### **Gauteng Government takes Smart Mobility Weekends Campaign to Rand West**

The Gauteng Department of Roads and Transport will be continuing with rolling out its road enhancement and maintenance programme, namely the Smart Mobility Weekend Campaign, in the Rand West Local City Municipality this weekend, 19 and 20 February 2022.

The Smart Mobility Weekends serve to ensure that public roads in Gauteng are well maintained, to allow for the easy movement of people and goods, in line with the Department's broader strategy of Growing Gauteng Together Through Smart Mobility.

Spearheaded by MEC Jacob Mamabolo, and undertaken in conjunction with municipalities, this campaign is aimed at creating partnerships, across all spheres of government to improve the road upkeep programmes of local and provincial road networks.

Activities include, but not limited to, grass cutting; patching of potholes; undertaking road markings; installing signage and fixing traffic lights.

#### **Media is invited to attend the event scheduled as follows:**

**Date:** Saturday and Sunday, 19 and 20 February 2022

**Time:** 10h00

**Venue:** Randfontein Local Municipality
