

# Gauteng Department of Roads and Transport

On the 30<sup>th</sup> of August 2023, National treasury instructed the National and Provincial Treasuries to implement cost containment measures to mitigate the fiscal challenges faced by the Government in the current financial year. One of the key elements identified to remediate the fiscal challenge is the postponement of capital projects not yet awarded.

Considering the above, Gauteng Department of Roads and Transport hereby gives notice to postpone the site briefing and closing dates of the following tenders already advertised until further notice. The new dates will be communicated on the same media platforms used to invite service providers.
