It's all systems go for Gauteng schools

Gauteng Premier David Makhura and Members of the Executive Council (MEC's) will tomorrow, Wednesday 15 January 2020, visit schools across the province to ensure that teaching and learning commences, as we mark day one of the academic year.

The respective departments will oversee the first day's proceedings and provide learners with Learning and Teaching Support Material (LTSM).

To mark the first day of the schooling year, the premier, together with MEC for Education, Panyaza Lesufi, will also officiate the reopening of schools with an official handover of the newly improved Noordgesig Primary School in Diepkloof.

Members of the media are invited to join the Premier and Members of the Executive Council as they engage with learners as follows:

SCHOOL	GPG EXCO MEMBER	DEPARTMENT	CONTACT PERSON
