MEC for Infrastructure Development Ms Tasneem Motara tests positive for COVID-19

Member of Executive Council (MEC) for Infrastructure Development and Property Management Ms Tasneem Motara has tested positive for COVID-19. The MEC received her results today, after testing on Wednesday, 01 July 2020.

The MEC has been leading preparations in ensuring that the province meets its health infrastructure needs in the fight against the Coronavirus pandemic.

The MEC will be in isolation for 14 days, in accordance with the World Health Organisation (WHO) protocols.

The Gauteng Executive Council led by Premier David Makhura and the entire Gauteng Provincial Government wish MEC Motara a speedy recovery and look forward to her return in the coming weeks.

The Provincial Government continues to do everything to protect staff members against the risk of contracting COVID-19.
