

BURSARY AWARDS FOR 2020

The Gauteng Department of Agriculture and Rural Development will make available a limited number of bursaries to **historically disadvantaged South Africans** residing in the **Gauteng Province** and who are considering a career in the Veterinary Science, Agriculture and Environmental Sectors. These professions fall within **scarce and critical occupational** categories.

Fields of studies	Minimum requirements (National Senior Certificate)
Bachelor of Veterinary Science	Mathematics and Physical Science Level 5 (60-69)
B.Sc. Geo-Informatics or GIS related qualification	Mathematics and Physical Science Level 5 (60-69)
B.Sc. Environmental Science/ Management	Mathematics and Physical Science Level 5 (60-69)
B.Sc. Food Science	Mathematics and Physical Science Level 5 (60-69)
B.Sc. Zoology, Botany or Ecology	Mathematics, Chemistry and Physical Science Level 5 (60-69)
Degree/ND: Chemical Engineering or Analytical Chemistry	Mathematics, Chemistry and Physical Science Level 5 (60-69)/ Level 4 (50-59)
ND: Veterinary Laboratory Technology	Mathematics, Chemistry and Physical Science Level 4 (50-59)
ND: Food Technology	Mathematics and Physical Science Level 4 (50-59)

Within the framework of the Scarce Skills Talent Pipeline and External Bursary Policy, the selection of candidates is based on the following criteria:

- Applicants must show proof of admission (provisional admission) to a higher educational institution for any of the above qualifications.
- Have been a permanent resident in the Gauteng Province for at least one-year prior to application. Studying or intending to study full time at a recognised institution of higher learning in Gauteng Province.
- Preference will be given to those who excel academically and/or demonstrate potential.
- Preference will be given to those who are not currently benefiting from any other bursary scheme. Women, people with disabilities and people living in designated rural areas/nodes are encouraged to apply.
- If you do not receive a response from the Department by the end of January 2020, consider your application unsuccessful.

Application forms are obtainable at the reception area of: Gauteng Department of Agriculture and Rural Development, 56 Eloff Street, Umnotho House, Ground Floor or from the website: www.gauteng.gov.za (Click on the following: Our Organisation, select Department of Agriculture & Rural Development, go to 'Announcement' and download Bursary application form).

Applicants are required to forward their applications directly to: Human Resources Development, Gauteng Department of Agriculture & Rural Development, P.O. Box 8769, Johannesburg, 2000 or above – mentioned physical address.

For further enquiries, please contact: Mr. Livhuwani Mutswana (011) 240 2590 or Ms. Thandiwe Tsutsu (011) 240 2586

Closing date: 8 November 2019
