MEC MASUKU TO JOIN NURSES AS PART OF INTERNATIONAL NURSES DAY

As part of International Nurses Day commemorations, which is observed annually on 12 May globally, Gauteng MEC for Health Dr Bandile Masuku will tomorrow join Nurses at Zone 17 Clinic in Sebokeng.

The visit by MEC Masuku forms part of Employee Value Proposition programme that is aimed at improving staff morale and recognizing excellence in the Department.

Nurses remain the backbone of the health sector and continue to play an important role in saving lives. The World Health Organisation's World Health Assembly has designated 2020 the International Year of the Nurse.

In a bid to maintain social distancing as part of level 4 lockdown regulations, media houses are therefore requested to confirm attendance for better planning and management of number of people present.

The visit will take place as follows:

Date: Tuesday, 12 May 2020

Time: 10h00

Venue: Zone 17 Clinic in Sebokeng (Mpilo can be used for ease of navigation to the facility)

Ends/
