<b>Total</b>	<b>11 311 326</b>	<b>2 418 586</b>

**NB:** Unclassified based on the Electronic Vaccination Data System (EVDS).

All persons 18 years and older are encouraged to visit their nearest vaccination site to receive the jab. It is thought getting 70% or more of the adult population vaccinated that we can minimise the impact of the fourth wave. This will also help us return to the things we love such as attending sporting, cultural, religious and entertainment events of our choice safely.
