GOVERNMENT WELCOMES PSL TEAMS ACTIVE PARTICIPATION IN THE COVID-19 VACCINATION PROGRAMME

The Gauteng Provincial Government is pleased and welcomes the active participation of the DSTV Premier League teams in the COVID-19 vaccination rollout programme.

Starting next week, both football players and technical team members at Mamelodi Sundowns and TS Galaxy Football Clubs will be vaccinated.

Even though TS Galaxy is a Mpumalanga outfit, it will be vaccinated in Gauteng province as it is based here.

The decision by the PSL football teams to take the COVID-19 vaccination publicly is significant and it is in line with return to play social mobilisation programme launched by government and social partners last week.

Vaccination will help us return to the things we love such as attending sporting, cultural, religious and entertainment events of our choice safely.

Government is hopeful that having the teams vaccinated publicly will go a long way to convince persons who are still hesitant about taking the COVID-19 vaccine. We all need to vaccinate in order to take back our lives, return to a new reality and adjusting to a new normal.

The vaccination programme will take place as follows:

Time: 11:00

Address: 132 Chloorkop, Corner Allandale Dunlop Roads, Chloorkop
