### **MEC CHILOANE TO LAUNCH THUTO KE MAATLA SCHOOL OF SPECIALISATION**

Gauteng Education MEC Matome Chiloane will on Thursday, 26 October 2023, launch Thuto Ke Maatla Engineering School of Specialisation with a focus on Manufacturing of Industrial Equipment in Tembisa.

Schools of Specialisation are the country's most innovative public ordinary schools in which learners are immersed within career fields that are crucial to our economy. These schools enable learners to specialise in either Maths, Science & ICT; Engineering; Commerce & Entrepreneurship; Sports; or Performing & Creative Arts.

This marks the 30<sup>th</sup> launch of a School of Specialisation by the Gauteng Department of Education (GDE), bringing us much closer to the vision of having at least 36 such schools across the province.
