5. PREAMBLE

- 5.1 School violence and substance abuse takes place throughout the world; in South Africa this phenomenon is manifesting itself through gang violence, weapons in school, sexual violence, bullying, assault, theft and robbery. School violence affects all schools irrespective of location.
- 5.2 In the light of the above, it is imperative for schools to develop a school safety policy, with thorough plans and data collection tools to enable them to pro-actively deal with and better manage threats to school safety.
- 5.3 Through this policy, the [NAME OF THE SCHOOL] intends to:
 - a) Place the issue of school safety at the top of the agenda of all stakeholders,
 - b) Adopt a zero-tolerance approach to all perpetrators of any form of school violence, gangsterism, substance abuse and bullying,
 - c) Ensure that all incidences of school violence, gangsterism, substance abuse and bullying must be reported by all stakeholders to school authorities and the police services once they become known,
 - d) Ensure that there is appropriate support for the victim and victim empowerment and

e) Ensure that abuse is managed with care, sensitivity and confidentiality to mitigate against secondary abuse.

6. PURPOSE OF THE POLICY

6.1 The overall purpose of the policy is to ensure that the school is safe for all and that effective measures are employed to address issues related to discipline, drugs, dangerous objects, violence, bullying, rape, assault, sexual abuse, theft and robbery.

 - (b) Determines whether or not to consent to such medical treatment if he or she is unable to contact the parent of the learner.
- 10.6.4 The school will, in writing, supply the detailed information to the parent of the learner who will undertake the school activity.
- 10.6.5 Immediately after returning from a school activity, the supervising educator will submit a report on the school activity, to the principal, and the principal must submit the report to the Department and to the Chairperson of the SGB.
- 10.6.6 The school will only allow learners that have obtained written consent from the parent to attend the school activity.
- 10.6.7 The school will ensure that if its own vehicle/s are used for transporting learners, such vehicle/s has/have insurance and roadworthy certificates and the driver/s is/are in possession of valid driving licenses and professional driving permits.

10.7 Important Considerations to Promote School Safety

10.7.1 School Ownership

Most incidences that threaten school safety can be attributed to poor: management, leadership, supervision and accountability. While all school stakeholders must take responsibility for school safety, the school management team must lead from the front and constantly be on the look out for possible threats to school safety and minimize/eliminate a threat before it manifests itself.

10.7.2 Partnerships

- (a) In an attempt to combat violence, crime, drug abuse, carrying of dangerous objects, bullying and gangsterism in the school, an integrated approach will be taken.
- (b) The school will work together with the provincial department of education, the community; the Department of Community Safety, the South African Police Services, the Department of Social Development, the Department of Health and the Department of Arts and Culture to strengthen the school - police - community partnership.

11. MANAGEMENT OF THREATS TO SCHOOL SAFETY

The stakeholders of the school will endeavour to continuously monitor the school environment (internally/externally) to identify potential threats and mitigate these risks. The areas below have been identified as areas that threaten school safety. Preventative measures are provided here while Annexure A provides guidelines of what the Principal should do when a threat to school safety occurs.

11.1 School Violence

- a) No form of violence committed by one learner on another or a teacher on a learner or the learner on the teacher will be tolerated at (name of school).
- b) The school is committed to the South African Schools Act, Section 10 which states that "No person may administer corporal punishment at a school to a learner and if this is contravened such a person will be guilty of an offence and liable to a sentence which could be imposed for assault."
- c) In a similar manner a learner who assaults another learner or a teacher will be guilty of an offence. Steps will be taken against such a learner to ensure that a sentence is imposed for assault.

11.2 Bullying

a) Bullying is outlawed at (Name of School).

- b) The school adopts a zero tolerance approach to bullying in accordance with the Bill of Rights to protect children from maltreatment, neglect, abuse or degradation;
- c) The school will train learners, educators and the support staff that bullying is everyone's responsibility and that any Incidents of bullying in the school need to be reported, recorded and investigated;
- d) The training will include strategies that can be used to prevent or stop bullying such as interaction between learners, discussion groups, peer mediation, one-on- one mentoring or the "buddy system" where older children look after younger children, bystander or spectator support;
- e) The school safety committee will select and train monitors on how to identify and monitor incidents of bullying and on how to implement the intervention strategies to address the problem such as Installing cam coders and telephones in every classroom. This will assist the school with viewing any suspicious activity and making emergency calls to the police if necessary;
- f) Every incident of bullying will be dealt with through the Code of Conduct, and
- g) The school will conduct background checks with SACE to check the suitability of educators and in the case of former teachers check with the GDE.

11.3 Gangsterism

- 11.3.1 To implement actions against gangs or gangsterism, the school:
 - (a) At the first suspicion of gangsterism or gang related activities, the relevant school officials will inform the District office and the police authorities about suspected gang – related activities on or near the school property,
 - (b) The school will enforce the school uniform policy in an attempt to maintain discipline and differentiating visitors from learners in the school, and
 - (c) The school will collaborate with other sectors and departments within the government to achieve success in combating gangs in the schools and the community. These will include civic organisations or associations, religious groups or associations, youth commissions, Child line, Lifeline and the local police.

11.4 Abuse and Sexual Abuse

- 11.4.1 The school will implement the Action Strategies against abuse by way of:
 - (a) Urging learners to report any incidence of abuse to the Principal or any staff member that they trust,
 - (b) Staff members will be sensitized to note changes in learner's behavior and record a learner's behavioural changes towards classmates, peers and other educators in a record book over a few days or weeks,
 - (c) Where necessary, educators/members may interview peers or classmates, maintaining confidentiality,
 - (d) The School Safety Team will inform learners regularly that, in case of any abuse or rape, what course of action should be followed. The School Safety Team will empower educators to advise learners, in case of sexual abuse/rape on which steps to take to retain the evidence and maintain confidentiality,
 - (e) Educating learners about abuse, places to avoid, what to do if abused and where to go for help,
 - (f) Educating learners about their rights and where to get counselling and medical attention if abused. The school will teach learners selfdefense mechanisms and strategies to build or re-gain their confidence; and
- 11.4.2 No pornography is allowed at the school. Any learner, educator or support staff member that is caught in possession of pornography will be dealt with through the relevant disciplinary procedures. The material and the device on which the material is displayed will be confiscated by the school.
- 11.4.3 The school Code of Conduct does not allow anyone to film anything on the school premises without the permission of the Principal.

11.5 Initiation Practices

11.5.1 No initiation practices will be allowed in the school. Any person who conducts or participates in initiation practices against a learner is guilty

of misconduct and disciplinary action will be instituted against such a person in accordance with the applicable code of conduct

11.5.2 Any person within the school found subjecting learners to initiation practices will be charged with serious misconduct.

11.6 Confidentiality

The stakeholders must ensure that reported cases and acts of intimidation, maltreatment, rape, abuse, neglect, degradation or exploitation will be treated with confidentiality.

11.7 Occupational Health and Safety

- (a) (Name of School) will provide for the health and safety of learners in connection with the activities of learners in the school premises.
- (b) The School Safety Team will advise on the emergency evacuation procedures, which must be displayed in all offices, classrooms and amenities,
- (c) The school safety officer must ensure that fire extinguishers are Installed and maintained regularly, (maintenance certificates to be filed)
- (d) Rules for the safe use of the laboratory and workshop including the storage of chemicals, tools and equipment must be displayed in the laboratory,
- (e) The school will ensure that first aid kits are fully equipped, utilized and maintained on a regular basis.
- (f) There should be First Aid Kit boxes in all the classrooms and sickbay.
- (g) The following list of contents should be kept in the first aid kit and used to ensure that the first aid kit is always replenished:

11.7.1 Minimum Contents of Emergency First Aid Box

11.8 Allocation of Duty to Educators

- 11.8.1 In keeping with the requirements of PAM Chapter A Para 3.1 (i)(dd), all educators are expected to perform pastoral duties and therefore be on duty points to monitor learners in toilets, hallways, empty classrooms, at the school gates, in the school grounds as well as scholar patrol.
- 11.8.2 A roster will be developed to facilitate daily monitoring of areas around the school where any form of violence, bullying, substance abuse may take place, and
- 11.8.3 An incidence book (Refer to Annexure D) must be maintained daily for the purpose of reporting whether or not anything occurred or not as well as what action was taken in cases where incidents were observed.

12. COORDINATING STRUCTURE FOR SCHOOL SAFETY AT SCHOOL LEVEL

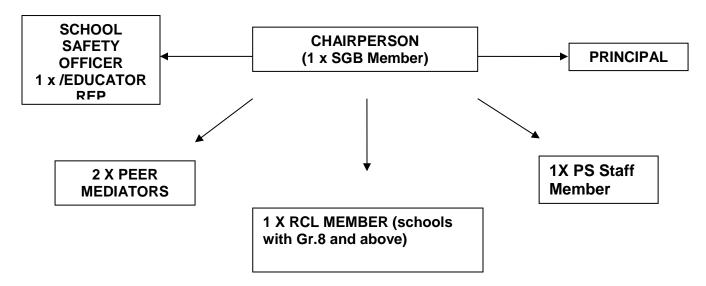

The School Safety Officer together with a School Safety Team shall co-ordinate the following:

- (a) All school safety programmes, including campaigns at the school and the displaying of safety signs, including the rights to admission to the school;
- (b) Develop a Safety Plan that will outline action plans to counter threats of violence; (Refer to Annexure B)
- (c) Forge partnerships with all relevant government departments at school level, including community based organisations and the school community;
- (d) Support learners/educators that are experiencing serious safety issues;
- (e) Advise DSSC on training programmes to empower stakeholders on safety issues in the District,
- (f) Represent the School on matters relating to safety and give feedback to the school safety committee;
- (g) Monitor the implementation of the safety policy and plans, through:
 - (i) Observation,
 - (ii) Collecting and analysing data and reports on issues that impact on School Safety, and
 - (iii) Reporting timeously to SMT and DSSC on progress with plans, challenges, trends and action taken.
- (h) Together with the SBST:
 - (i) Identify learners at risk and keep their profile, and
 - (ii) Inform the parents of the above learners about the risks facing their children and what actions will be taken by the committee.
- (i) Identify the hot spot areas in the school for frequent monitoring; and
- (j) Make the necessary referrals to the relevant stakeholders according to the nature of the violence and crime
- (k) Organise quarterly information sharing meetings with the relevant stakeholders.

12.1 Composition of the School Safety Team

Note: In cases where the School already has a committee through the Occupational Health and Safety Act, they will continue to operate as the school safety team and the composition should, at minimum have the same representation below:

SCHOOL SAFETY TEAM

12.2 Roles and Responsibilities

12.2.1 Principal

ANNEXURE A: GUIDELINE FOR THE HANDLING OF INCIDENTS AT SCHOOLS

1. GENERAL

- a) On becoming aware of an incident the Principal:
 - i. May find it necessary at times to keep parties involved in the incidents apart until parents arrive. This should be done in a controlled manner ensuring that the parties are closely monitored;
 - ii. Assess the situation and decide on what action needs to be taken to stop the incident from occurring further. Consult with the School Safety Committee, IDSO, if necessary;
 - iii. Conduct a preliminary investigation to gather all the facts necessary to help him/her plan a course of action;
 - iv. Must call parents, if learners are involved, to inform them of problem and request them to come to the school;
 - v. May have to search for relevant evidence at the scene of the incident, be careful not to tamper with any evidence that may be used in a criminal case;
 - vi. May call the police and social worker if the situation warrants this; and vii. Inform the Chairperson of the SGB.
- b) After ensuring that he/she has gathered the necessary and relevant evidence, the Principal must report the matter to the IDSO or in his/her absence the next available supervisor on the same day in which the incident occurred;
- c) The IDSO must assess the type of support required by the school and inform the District Director; and
- d) The District will after assessing the situation call in the Head Office Task Team to provide support for the school.
