### **MEC MAILE AND CITY OF EKURHULENI TO HANDOVER HOUSES AT JOHN DUBE MEGA PROJECT**

The MEC for Human Settlements and Infrastructure Development, Lebogang Maile, will on Thursday, 09 May 2024 handover 208 houses to qualifying and deserving beneficiaries at the John Dube Mega Project in Ekurhuleni.

The ANC-led Provincial administration has been hard at work to tackle the housing backlog and meet expectations as mandated by the electorate. Gauteng has a huge number of beneficiaries on the housing waiting list, owing to its strategic location as an economic powerhouse, providing opportunities to people from different parts of the Country. This in-migration has led to a high demand not only for houses but health facilities, schools and social facilities.

MEC Maile, accompanied by the City of Ekurhuleni Member of the Mayoral Committee will also inspect houses in the Project that are at different stages of completion.

The details of the event are as follows:

Date: Thursday, 09 May 2024

Time: 09:00 am

Venue: John Dube Mega Project (Duduza).
