Gauteng MEC of Human Settlements to Lead Title Deeds Handover in Impumelelo and Obed Mthombeni Nkosi

Gauteng, South Africa– The Gauteng MEC for Human Settlements, Ms. Tasneem Motara, is set to spearhead a significant title deeds handover event tomorrow, 15 October 2024. This initiative will see the distribution of 951 title deeds in Impumelelo Extension 4 and 949 title deeds in Obed Mthombeni Nkosi Extension 3, both located in the Lesedi Local Municipality, marking a pivotal moment in empowering communities through secure land ownership.

The handover will take place at two sites in a single day, reflecting the MEC's commitment to enhancing housing security and fostering sustainable communities in Gauteng. This event not only signifies the completion of housing projects but also plays a crucial role in building a legacy of home ownership for residents who have long awaited formal recognition of their property rights.

MEC Tasneem Motara stated, "This handover is more than just an event; it is a celebration of hope and dignity for our communities. Every title deed represents a dream realized and an opportunity for families to invest in their futures."

The MEC's visit aims to engage with residents, share insights about ongoing housing initiatives, and reinforce the government's dedication to human settlements development.
