## **SLA SIGNING PROGRESS UPDATE**

The signing of Service Level Agreements (SLAs) between Gauteng Department Social of Development and Non-Profit Organisations has gotten off to a good start, with the priority given to NPOs on children and social welfare programs.

The NPOs are reminded that in terms of the new centralised process, board members have option to delegate the Chairperson, Secretary and Treasury to sign SLAs at DSD headquarters or all members may sign electronically without travelling to the head office.

The electronic signing will require board members to authenticate themselves through supplying certified ID copies and an affidavit. This is to ensure the seamless, quick and efficient signing of SLA process.

The Department reiterates its call for calm as work to conclude the signing of SLAs is underway in earnest.

The Department is confident of the cordial partnership with NPOs to efficiently deliver the most essential services to the vulnerable in the province.
