The chart must clearly indicate the activities and timeframe within 24 months: (Max 5 points) Linkages between key activities: (2 points) Indicate critical path: (2 points) Completion date within the stipulated construction period: (1 point)				

Bidders should note the following:

Bidders who are already in the panel are not allowed to bid for this tender.

10 years or more experience in road rehabilitation or road construction (5 points)

Bidders who are already in the panel are not allowed to bid for this tender.

The Department reserves the right to conduct due diligence on shortlisted candidates

Recommended bidders will be subjected to supplier risk assessment before being considered for registration onto the database.

Prospective bidders should be represented at the compulsory briefing session by suitable/qualified and experienced individuals who can fully comprehend the scope and complexities of the work involved.

Potential suppliers must note that in terms of Departmental policy, the Department reserves the right to cancel a contract and blacklist any supplier for a period of at least 12 months if the supplier fails to adequately perform in terms of the awarded contract. Bidders who are listed in the National Treasury register of defaulters and restricted suppliers will be automatically disqualified.

The bid validity period is 180 days. However, the Department reserves the right to request all bidders to extend such validity period should the need arise.

The Variation from John Wentures will be accepted
The successful bidderfs will be required to sub-contract a minimum of 30% of the contract to an EME or QSE which at least 51% owned by black people who are women, youth and people with disabilities as stipulated in the Implementation of Preferential Procurement 2022 Gauteng Department of Roads and Transport Completed and signed Declaration of Non-Performance and Termination
Central Supplier Database (CSD) registration summary report

The Department will not compensate the bidder for any costs incurred in the preparation and submission of a bid, including the costs of any tests which have been deemed as necessary in the demonstration of compliance with the stated requirements (forming part of this RFP).

A non-refundable amount of R500 (Five Hundred Rand) will be levied per tender document. This amount is payable in debit card between 09h00 and 15h00 at our Finance Section of the Gauteng Department of Roads and Transport, located at ground floor Life Centre Building, at 45 Commissioner Street, Johannesburg

Tender documents will be available for collection by prospective bidders upon presentation of the appropriate proof of payment to the Department. These documents can be collected at ground floor Life Centre Building, at 45 Commissioner Street, Johannesburg between 09h00 and 15h00. Tender documents will be available from the 26 April 2024.

For the availability of the bid document and technical specification enquiries contact Supply Chain Management (SCM) on the following numbers @ 011- 355 7000 or Jabulani.Limekhaya@gauteng.gov.za and Tshivhasa.Ramasindi@gauteng.gov.za OR Alternatively

Electronic submission of bids will NOT be accepted. Telegraphic, telephone, telex, facsimile, emails of bids and late bids will NOT be accepted. Requirements for sealing, addressing, delivery, opening and assessment of bids are stated in the bid documents.

Prospective bidders can download and print their own version of the tender document by accessing the e-Tender Publication Portal website (www.etenders.gov.za). Bidders are advised to ensure that all bid documents are properly bound upon submission on the closing date. Failure to submission on the closing date. Failure to submission.

The Department reserves the right to cancel OR not to award this tender to any party. Clearly numbered Bid Documents together with all applicable attachments must be deposited in the tender box at the foyer ground floor Life Centre Building, at 45 Commissioner Street, Johannesburg, by no later than 11h00 on the closing date
